**STATEMENT OF THE BOARD OF MANAGEMENT' RESPONSIBILITY IN RESPECT OF THE INTERIM  
FINANCIAL STATEMENTS**

The Board of Management is responsible for the Interim Financial statements of each financial year which give a true and fair view of the state of affairs of the Company and of results of its operation and its cash flows for the period. In preparing those Interim Financial statements, The Board of Management is required to:

- Establish and maintain an internal control system which is determined necessary by the Board of Management and Board of Directors to ensure the preparation and presentation of Interim Financial Statements do not contain any material misstatement caused by errors or frauds;
- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Interim Financial statements;
- Prepare the Interim Financial statements on the basis of compliance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System applicable to securities companies and the current requirements relevant to preparation and presentation of Interim Financial statements;
- Prepare the Interim Financial statements on going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Board of Management is responsible for ensuring that proper accounting records are kept which disclosed, with reasonable accuracy at any time, the financial position of Company and to ensure that the accounting records comply with the registered accounting system. It is responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Management confirms that the Interim Financial statements give a true and fair view of the Company's financial position as at 30 June 2025 and of the results of its operations, cash flows and changes in owner's equity for the year then ended, in accordance with the Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System, accounting guidance applicable to securities companies and statutory requirements relevant to preparation and presentation of Interim Financial statements.

**Other Commitment**

The Board of Management commits that the Company complies with Decree No.155/2020/ND-CP of the Government dated 31 December 2020 on detailing and guiding the implementation of a number of articles of the Law on Securities and the Company does not violate obligation of information disclosure according to the provisions of Circular No. 96/2020/TT-BTC dated 16 November 2020 issued by the Ministry of Finance guiding the disclosure of information on stock market Circular No. 68/2024/TT-BTC dated September 18, 2024, of the Ministry of Finance regarding the amendment and supplementation of certain provisions of Circular No. 96/2020/TT-BTC

## **AUDITOR'S REPORT ON RESULTS OF FINANCIAL STATEMENTS REVIEW**

**To: Shareholders, The Board of Directors and The Board of Management  
Petrovietnam Securities Joint Stock Company**

We have reviewed Interim Financial statements of Petrovietnam Securities Joint Stock Company prepared on 30 July 2025, as set out on pages 06 to 50, including: Interim statement of financial position as at 30 June 2025, Interim statement of comprehensive income, Interim statement of cash flows, Interim statement of changes in equity for the period for the period from 01 January 2025 to 30 June 2025 and Notes to the Interim financial statements.

### **The Board of Management' responsibility**

The Board of Management is responsible for the preparation and presentation of Interim Financial statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System applicable to securities companies and the statutory requirements relevant to preparation and presentation of Interim Financial statements and for such internal control as management determines is necessary to enable the preparation and presentation of Interim Financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these Interim Financial statements based on our review. We conducted our review in accordance with Vietnamese Standards on Auditing about review service contract No.2410 - Review interim financial statement conducted by extenal auditor.

A review interim financial statements includes interview, primarily interviews with those responsible for financial and accounting matters, analysis and other review procedures. A review is substantially smaller scale than an audit that is conducted in accordance with Vietnamese auditing standards and therefore not allow us to get assurance that we will be aware of all material issue. Accordingly, we do not give an audit opinion.

### **Auditor's Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the Interim financial statements do not give a true and fair view, in all material respects, of the financial position of Petrovietnam Securities Joint Stock Company as at 30 June 2025 , and of the results of its operations, its cash flows and changes in owners' equity for the period from 01 January 2025 to 30 June 2025 in accordance with the Vietnamese Accounting Standards, Vietnamese Accounting System applicable to securities companies and the statutory requirements relevant to preparation and presentation of interim financial statements.

### Emphasis of matter

As presented by the Company in Note 5 - "Types of financial assets" in the Notes to the Financial Statements, as of June 30, 2025, the financial assets recorded at fair value through profit or loss (FVTPL) and available-for-sale financial assets (AFS) of the Company include investments in unlisted shares with a book value of 146.65 billion VND, accounting for over 20% of the equity, arising before 2012 and no further investments have been made to date. The Company has made a provision for impairment of available-for-sale financial assets with a cumulative value of 63.5 billion VND as of June 30, 2025, liquidated some ineffective investments, and is striving to implement measures to bring the ownership ratio of these financial assets into compliance with the regulations set forth in Circular 121/2020/TT-BTC dated December 31, 2020, of the Ministry of Finance regarding the operations of securities companies.

This matter to be emphasized does not change our unqualified audit opinion.

The Company's Interim financial statements are prepared based on the aggregation of transactions and events incurred, which are recorded in the accounting books of its dependent accounting units and the Company's headquarters.

**2.4 . Accounting estimates**

The preparation of Financial Statements in conformity with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and legal regulations relating to preparation and presentation of Financial Statements requires the Board of General Directors to make estimates and assumptions that affect the reported amounts of liabilities, assets and disclosures of contingent liabilities and assets at the end of the accounting period and the reported amounts of revenues and expenses during the period.

The estimates and assumptions that have a material impact in the Interim Financial Statements include:

- Fair value of financial assets;
- Provision for doubtful debts;
- Estimated useful life of fixed assets;
- Estimation of prepaid expense allocation;
- Classification and provision of financial investments;
- Estimated income tax.

Such estimates and assumptions are continually evaluated. They are based on historical experiences and other factors, including expectations of future events that may have a financial impact on the Company and that are assessed by the Board of Management to be reasonable under the circumstances.

**2.5 . Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand, cash in banks and short-term, highly liquid investments with an original maturity of less than three months since purchase, which are readily convertible into known amounts of cash and subject to an insignificant risk of change in value.

It may be opened at the designated bank to make payment for the purchases or sale of securities according to the net deduction result.

Cash deposited by customers for securities trading and cash deposited by securities issuers are presented at the non-financial statements (Off - statement of financial accounts).

**2.6 . Financial assets and Financial liabilities***a) Initial recognition***Financial assets**

Financial assets of the Company including cash and cash equivalents, financial assets at fair value through profit and loss (FVTPL), held-to-maturity investments (HTM), loans, available for sale financial assets (AFS) and receivables. At initial recognition, financial assets are identified by purchasing price/issuing cost plus other expenses directly related to the purchase and issuance of those assets, except financial assets at fair value through profit and loss (FVTPL) are identified by purchasing price/issuing cost.

**Financial liabilities**

Financial liabilities of the Company including loans, trade payables and other payables, accrued expenses. At initial recognition, financial liabilities are determined by issuing price plus other expense directly related to the issuance of those liabilities.

*b) Classification principles*

**Financial assets at fair value through profit and loss (FVTPL):** financial asset is classified as FVTPL if it was held for the purpose of selling or repurchasing in financial market through researching and analyzing with profit-taking expectation. The other financial assets are not classified to FVTPL when they are sold, they must be reclassified to FVTPL.

Financial assets FVTPL is a debt instrument at maturity which must be recognized as receivables and provision as doubtful debts (if any).

**Held-to-maturity financial assets (HTM):** are non-derivative financial assets with fixed or determinable payments and fixed maturity that the Company has the positive intention and ability to hold to maturity other than:

- Non-derivative financial assets have been classified as at fair value through profit / loss (FVTPL);
- Non-derivative financial assets have been classified as available for sale (AFS) by the Company;
- Non-derivative financial assets satisfy the definition of loans and receivables.

After initial recognition, held-to-maturity financial assets (HTM) are subsequently measured at amortized cost using the effective interest rate method.

**Loans:** are non-derivative financial assets with fixed or identifiable payments and not listed on the market.

Types of loan commitments made:

- Margin contract;
- Prepaid of selling securities contract.

After initial recognition, loans are measured at amortized cost using the real interest rate method, except for loans to financial assets recognized at fair value through profit or loss; Financial liabilities arising from the transfer a financial asset that are not eligible for discontinuance or when applicable in accordance with the continued relevant regulations; financial guarantee contracts.

**Available for sale financial assets (AFS):** are the non-derivative financial assets that are determined as available for sale or are not classified as:

- Loans or Receivables;
- Held to maturity investments;
- Financial assets at fair value through profit and loss (FVTPL).

Financial assets that are invested by the Company but have no short-term investment objectives and long-term objectives have not been identified. Therefore, this is a limited financial asset classified in the Company's operations.

**Financial liabilities recognized through profit or loss:** are financial liabilities that meet one of the following conditions:

- Financial liabilities are classified by The Board of Management into the holding group for business;
- At the time of initial recognition, the Company classified financial liabilities into groups that recognized through profit or loss.

**Financial liabilities recognized by amortized value:** financial liabilities are not classified as financial liabilities recognized through profit or loss.

c) *Revalue financial asset principles*

The revaluation of FVTPL and AFS financial assets at market value or fair value is conducted using valuation methods in compliance with legal regulations. In cases where there is no market price as of the most recent transaction date, the Company uses fair value to reassess financial assets. Fair value is determined based on principles, methods, or theoretical financial asset pricing models as follows:

- For securities listed on the Hanoi Stock Exchange and the Ho Chi Minh City Stock Exchange, their market prices are their closing prices on the trading day preceding the date of setting up the revaluation;
- For the securities of companies that are not listed on the stock exchange but have registered for trading on the unlisted public company market (UPCOM), the market value is determined by the closing price on the most recent trading day up to the date of the securities valuation.
- For delisted securities and suspended trading securities from the sixth day afterward, their prices are the book value at the latest financial report date.
- For unlisted securities and securities unregistered for trading on the Unlisted Public Company Market (UPCom), the stock prices as the basis for re-evaluation are the prices collected from sources. reference information that the Board of Management considers that this price represents the market price of these securities.

For securities which do not have reference price from the above sources, the revaluation is determined based on the financial performance and the book value of securities issuer as at 30 June 2025.

The difference in increase/decrease dues to revalue FVTPL are recorded according to the principle of non-offset and presented in the Statement of Comprehensive Income on 02 items: the item "Loss from financial assets at fair value through profit or loss (FVTPL)" - details "Loss from revaluation of financial assets at FVTPL" (if the assessment decreases) and the item "Gain from financial assets at fair value through profit or loss (FVTPL)" - Details "Gain from revaluation of financial assets at FVTPL" (if the assessment increases).

The increase or decrease in the revaluation difference of Available-for-Sale (AFS) financial assets is recognized on a non-offsetting basis and recorded directly in equity under the item "Revaluation surplus on financial assets at fair value" in the Statement of Financial Position.

As of the reporting date of the Statement of Financial Position, the Company also assesses whether there is any objective evidence that AFS financial assets have been impaired. Any increase or decrease in the allowance balance is recognized in the statement of profit or loss under the item *"Provision expense for financial assets, loss on doubtful debts, financial asset impairment losses, and borrowing costs on loans."*

- In the case of equity instruments classified as available-for-sale, objective evidence of impairment includes a significant or prolonged decline in the fair value of the investment below its carrying amount. "Significant" is assessed relative to the original cost of the investment, and "prolonged" refers to the period during which the fair value remains below the original cost. When impairment evidence exists, the allowance balance is determined based on the difference between the original cost and the fair value at the assessment date.

- In the case of debt instruments classified as available-for-sale, the impairment assessment follows the same criteria applied to Held-to-Maturity (HTM) investments. When objective evidence of impairment exists, the allowance balance is determined based on the difference between the amortized cost and the fair value at the assessment date.

Held-to-maturity financial assets are subjected to an assessment for impairment at the financial statements date. Provision is made for these investments when there is any objective evidence that the investment is irrecoverable or there is uncertainty of recoverability as a result of one or more loss events that affected adversely on estimated future cash flows of HTM investments. Objective evidence of impairment may include a drop in the market value/fair value (if any) of the impaired debt, indications that the debtor or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments, the possibility that they will enter bankruptcy or other financial reorganization and where observable data indicate that there is a measurable decrease in the estimated future cash flows, such as changes in repayment conditions, economic conditions that correlate with defaults. When there is any evidence of impairment, provision is made on the basis of the difference between the amortized value and the fair value at the assessment date. Any increase or decrease in the balance of provision is recognized in the income statement under *"Provision expenses for diminution in value and impairment of financial assets, doubtful receivables and borrowing costs of loans"*.

Loans are made provision of impairment at the Statement of Financial Position date. Provision for loans is made on the basis of the estimated loss, calculated as the difference between the market value of the security used as collateral for the loan and the balance of the loan. Increases and decreases of provision are recognized in the Statement of Comprehensive Income on the *"Provision expenses for diminution in value and impairment of financial assets, doubtful receivables and borrowing costs of loans"*.

**Note:**

(1) The Company's investments have been provisioned in accordance with the guidance in Circular No. 48/2019/TT-BTC dated August 8, 2019, issued by the Minister of Finance, which provides guidance on the recognition and handling of provisions for inventory devaluation, investment losses, doubtful debts, and warranty liabilities for products, goods, services, and construction works in enterprises. Accordingly, the market value of these investments is determined as the difference between the purchase price and the provision already recognized.

As of June 30, 2025, the company is directly investing in unlisted shares under the available-for-sale financial assets (AFS) and financial assets measured at fair value through profit or loss (FVTPL) amounting to 146.65 billion VND, which accounts for over 20% of the equity, originating from 2012 and earlier, with no additional investments made up to the present. The company is making efforts to negotiate with investors and interested shareholders who wish to buy back the remaining shares to carry out the transfer in order to bring the ownership ratio back to the threshold stipulated in Circular 121/2020/TT-BTC dated December 31, 2020, by the Ministry of Finance regarding the operations of securities companies.
